Question:

A report in our local newspaper, the San Jose (CA) Mercury News, states that solar-panel array applications for BLM-administered public lands are now halted by moratorium into the year 2010:

http://www.mercurynews.com/ci_9728114

But your own FAQ states that such applications are still being reviewed on a case-by-case basis:

<http://solareis.anl.gov/faq/index.cfm#Existing>

Can you tell us which is correct?
