I am completely opposed to closing down this area along Knight Road and the adjacent dry lake bed. This area is a great place to enjoy the southern Nevada desert with my family. I have enjoyed taking my family there to learn to ride dirt bikes and have brought others to this location to do the same. I have also enjoyed the BLM approved MRAN races in this area for the past few years. I would strongly suggest that if this area is closed, the BLM should be required to reestablish an equal size area with the same miles of trails in another area in their district within close proximity to Las Vegas. This new area would be in addition to any remaining OHV areas (Nellis Dunes).

Thank you,

D. Klint Kimball
