As a off road racing photojournalist this would directly impact my business. With all the land closures in California the Primm area is the last great venue for off road racing. Without this area it would litterally shut off road racing in the Vegas area down. I know as well as you that there are many more options for this to go into effect, but there aren't optional venues for off road racing. Please rethink your placement for this project.

Thank you-  
Art Eugenio
