To whom it may concern, the land closure for the Jean Dry Lake will affect me along with my entire family's vote for every person involved in this. I don't believe that the closure shouldn't happen at all this is a place for people to gather and spend time as a family. OHV has been a part of my family for over 23 years and I grew up racing in Jean. Tell the solar energy plant to expand on the site that they have already taken from us. Closing this land is a mistake and for BLM's profit only. There is plenty of land in Nevada to build a solar plant, leave Jean alone!
