Please do not let this happen. This is where Nevadans play. It's our backyard and some of the last remaining open areas left to us and our families. We have been using this Mother Nature's Playground for over 40 years as a family of ourselves, children and their children still use it today frequently. Please do not close off the additional 280K acres in the Las Vegas District. What we have right now is not enough, Please don't take anymore away from us citizens that use these areas often. If you close this and the other areas, please require BLM to reestablish and equal size area with the same miles of trails in the Las Vegas District and a close proximity to Las Vegas. And this request is in addition to keeping Nellis Dunes open to OHV use as well.

I'm Maryetta Bowman and family  
age 65 and play there often with my families. I have lived in LV for 52 years. My Family all were born here. PLEASE PLEASE  
KEEP MOTHER NATURE'S PLAYGROUND FOR US NEVADANS.
