this land is for public and the public { of road racers, dirt bikes,quad riders and desert campers. use this area . bring thier familys to and money to nevada to ride race and enjoythis area ,one of the last areas for us to use away from the over developed areas around vegas. we the public want to keep the little bit of land we get but the blm keeps moving us from where we are and have be racing,and camping for years just to give to some big corperation for a new idea this land has been raced on for years but now in the last decade it been eyed for an airport,now this energy farm both times the only with out any thought for the offroaders that use the public land for recreation of our family . when due "WE" the offroad community get are area that we get to keep public??? this area was never wanted when it was in the middle of nowhere but now its very close by well when it was nowhere it was were we rode and still is were we ride,race, please think about this before you let this land grab get done .
