You must be kidding. Taking OUR LAND for a business!!! NO!!! That is NOT right. I pay taxes for My right as a tax paying American to be able to use and explore OUR PUBLIC LANDS!! And they must Not be closed off for this, or any reason!! I'm sure there are other, more well suited places in which to stick this plant. Places where there is ample room, in a place that Does Not infringe on Mine and others right to enjoy!! We are a responsible off road group, and adhere to the trails that are in place, and do Not damage the earth the way that this plant will....forever!! So, please, do not take away OUR PUBLIC LANDS!!!!!!
