Hi,
Off Highway Road use area vs. Private company use of Public lands.

Stop Taking our land for private use.
Solar Panels would best be placed on
land that is already closed
Dry Lake Bed near Jean is a better location.

I further request..
BLM be required to reestablish and equal size area with the same miles
of trails in another area in their district within close proximity to Las
Vegas. This new area would be in addition to any remaining OHV areas
(Nellis Dunes).

Thanks
Mac
